

An even game. The scoring opened with a break away and a 30 yard shot was almost tipped over by James but he didn't quite get enough on it. Crispin then stabbed home at a corner as we applied pressure. Playing better football we took a 2-1 lead through Jevon. Just as half time approached James was failed to hold on to long range effort and the rebound was poked home. 2-2 at half time. With the wind now in our favour we again put the pressure on them. A brace from Mark appeared to seal it. One a break and 25 yard finish and the other from closer range after twists and turns. They then came at us as the play maker started to get more room. James made a fine save from a bullet header at a corner. They broke the defence and James saved as he came out to meet the striker - but it rebounded to another oppo who steered home. We were under the cosh in last five minutes and survived an offside goal to hold onto the win.
