

Good performance again, six wins on the trot. It was cold but the

5th team controlled the game from start to finish. Adonis only had one

shot to save. The 5ths took the lead 35 minutes into the game after a

poor goal kick from their keeper. Stephen Clarke-Johnston latched onto

the ball like a hungry greyhound, bursting past two defenders Stephen had

the composure to dribble past the keeper and slot the ball in from a

tight angle.

After some nice one touch football we finally managed to score the 2nd

goal with 20 minutes to go, O'Shane Brooks nutmegged the midfielder and

flicked the ball to Kemar Gordon who laid it to Matthew Witney.

Matthew took one touch and played a defence splitting ball, Daniel Steele sold

the defender the most amazing dummy which allowed Stephen

Clarke-Johnston to pass the ball into back of the goal, oh my gosh it like watching

Brazil! Final goal was scored with a curled shot in the bottom right

hand corner by Kemar Gordon after excellent work by Harley Moore who had

the guile and skill to ghost pass 2 defenders and laid the ball into

Kemar's path to score and kill the game.

Man of the Match Kemar Gordon involved in everything good the team done

and scored.
