

Egbertians carried on winning ways following the Christmas break, although it was a far from convincing performance.

A scrappy start to the game saw the ball spend a lot of time in the middle of the park, with neither keeper being tested.

Egs opened the scoring when Joe Lustig burst through from midfield and coolly lifted the ball over the oncoming goalie and into the net.

A second goal soon followed, Adam McKinnon beating the away side's offside trap and slotting the ball easily past the keeper. 2-0 was perhaps a half time lead we didn't deserve, but it was very welcome.

The second half was much in the same vain as the first half, with Egbertians only playing good football in brief spells. Adam Hole missed a glorious chance to make it 3-0, sidefooting wide after some excellent build up play from Ad McKinnon and Luke Giddings.

Stand in keeper Jason Francis then prevented the away side from registering a goal, brilliantly saving a one on one with the striker clean through on goal.

Not far from the end of the game, and it was made 3-0. Jack Lustig, on for his injured brother Joe, tapped home a simple chance following a powerful run down the right wing and cut back from skipper on the day Ricky Burnett.

A welcome 3 points and the good run continues.
