

Not the best performance but the 5th won against a decent team.

First 20 minutes of the game was tight with both defences on top, the first real chance came when Harley Moore outpaced the defence only to be denied by some excellent goalkeeping.

The First goal was scored by Stephen Clarke - Johnston, after some nice one touch crisp football started by Jody Jeffrey who was the heart beat of the team all game.

The second goal was created and scored by Kemar Gordon skipping past three defenders and still having enough composure to dribble around the keeper and place the ball in the empty net.

With five minutes go in the first half we conceded a sloppy goal from a corner.

The second half was a tight affair just like the first half, with 20 minutes to go on can Daniel Steele; it was setup for the super sub. Erkan Fadi drifted in from the left and laid the ball into Daniel's path, outpacing the defender on the edge of the area he then cut inside the last defender in the penalty box leaving him with enough time to pass the ball calmly past the keeper 3-1. The way the rest of the team jumped on Daniel everyone thought the game was over.

Against the run of play Wood Green were awarded a penalty after the ball hit one of our defenders on the hand 3-2. From the resulting kick off after 7 once touch passes the ball was laid in Stephen Clarke-Johnston path , only one outcome Stephen celebrating his 19 goal of the season 4-2.

Man of the Match Jody Jeffrey who was immense.
