

A decent game. We played with the wind in the 1st half  
and couldn't make our dominance pay as we only turned  
round 1-0 up  
having spurned a host of chances.

Playing against the wind in the second half was tough  
and despite  
battling hard and carving out good opportunities we  
found ourselves 2-1 down  
going into the final minute. But we never gave up and  
super-sub Simone  
slotted home with virtually the last kick of the game.

A deserved point and a good reaction to some recent  
poor results.
