

Egbertians were 5-0 up at half time following goals from Dave Burnage (2), Ryan Murray, James Cook and Adam Hole.

The second half continued in the same way, although Parns pulled a goal back to make it 5-1.

We never really got going, although added a further four goals from James Webster, Ashley Burnett, Adam Hole and a second of the game from James Cook.

Had we of taken our chances it would have been 15 goals at least, although there 3 big games left, and with our goal difference looking good, the 3 points was the important factor.
