

We needed to bounce back to winning ways to stop our season tailing off. We set out a very attacking formation what with Ryan Wood, Ryan Murray and Dan Jolley in the team. Indeed with Jevern and Richard bombing on too it was like playing 3-2-5. However we played some good football and were rewarded for going for it as soon we were 3-0 up.

But perhaps we did this all too easily and as we pushed on for more we were caught out on the counter attack twice and were pegged back to 3-2. A fine Richard Offord run down the right and cross/shot made it 4-2 as the keeper was caught out.

Dan Jolley then capped off an excellent performance by adding his third goal. But Ryan Woods was also pushing for man of the match when he got his brace.

Give Davenant due respect as they came at us hard on the counter attack and indeed got the score back to 5-4 and one point.....but soon we killed the game off with another goal to make the final score 6-4
