

The Egs scored first, when a long throw from Rob Harris on the right hand side caused confusion in the opposition's box; their keeper spilled the ball; which Peter Shawyer knock into the path of Daniel Rhone on the six yard box to make it 1-0. We added a second goal from a corner from the left hand side, which was glanced in by Vincent Cruickshank. They pulled one back before half time when we failed to clean from a throw in. At half time, it was 2-1. We made it 3-1; when a throw in from left hand side was directed to Daniel Rhone in the box; Daniel attempted to control the ball but was taken out from behind and the referee give us a penalty; which was converted by Ryan Wood. They scored an absolute beauty with a volley from the edge of the box into the top corner, of which GK Matt Paxton did not have a chance.

They equalised with a counter attacking move nearing the end of the match. The opposition came close to snatching a win at the end but was denied by a spectacular save from Matt.
